Top-Down Bath Tissue Dispenser

The LoCor® Top-Down Bath Tissue Dispenser is a high-capacity dispensing system that reduces labor costs through fewer roll replacements. Its modern design upgrades the appearance of any washroom while maximizing efficiency and delivering cost savings.

- Sleek, two-roll dispensing cabinet
- Uses high-capacity LoCor® bath tissue saving costs on change outs
- Helps control product consumption and reduces waste
- Available in classic black, clean white and stainless steel finishes

Greater Efficiency in a High Capacity

Top-Down Dispensing System

The LoCor Top-Down Bath Tissue Dispenser and the innovative reduced core design of LoCor bath tissue products combine to lower product consumption, waste and operational costs. LoCor paper products are derived from Rapidly Renewable Fiber (RRF). RRF products contribute to an environmentally friendly building operation, and meet the requirements of the U.S. Green Building Council (USGBC) LEED standards.
